

Special Helmet/Goggle/Lock Offer!

Ski Sundown has teamed up with **Smith Helmets** and **Goggles** to offer kids participating in our Programs an economical deal. We are also adding a **Combo Cable Lock**.

THE HELMET (\$56.00): **FROM THE TERRAIN PARK TO THE SKATE PARK**, the Holt has you covered. **For sizing information, please refer to "How to Size and Fit Your Smith Helmet" on reverse side.**

Please note: Ski Sundown does not mandate that skiers and riders wear a helmet while in our ski or snowboard school. We recommend personal choice. In addition to comfort and warmth, helmets provide added protection against head injury (ASTM F2040 Safety Standard). It is important to remember the risk of injury can never be excluded completely. Ski Sundown and Smith encourage all skiers and riders to follow "Your Responsibility Code." Guests assume inherent risks and liabilities as outlined on the Ski Sundown Group Badge. For more information on the use of helmets please visit National Ski Areas Association Lids on Kids Website at www.lidsonkids.org.

THE GOGGLE (\$23.00): The goggle offered is the **Electra Pro Air** model with **Black** frame and gold light single lens (helmet compatible). Please note that it is not a "junior" sized frame.

THE LOCK (\$12.00): The lock comes with a combination that you can set yourself.

HOW TO SIZE AND FIT YOUR SMITH HELMET

To determine your correct size, wrap a measuring tape around your head, just above the eyebrows. The tape should be placed comfortably around your head and not too snug. Smith helmets are sized in centimeters, see our size chart below to get the correct Smith size. Make sure you measure the largest part of your head. If you fall between two sizes, you should select the larger size.
